

REMARKS**Notice of Informal Drawings**

The applicant notes the Examiner's inclusion of Attachment for PTO-948(Rev. 03/01) stating that "New corrected drawings must be filed with the changes incorporated therein..." Your applicant notes that tables were incorporated in the specification without additional drawings. Corrected drawings will be submitted upon clarification that such are required in this matter.

In the Claims**Cancellations**

Please cancel claims 14, 15, 27, 28, 40 and 41.

Amendments

Please amend claims as follows, in accordance with 37 CFR 1.121, wherein page 3 of this response demonstrates a clean version of each paragraph/section/claim along with clear instructions for entry and pages 4-5, entitled "Version with markings to show changes made" demonstrates changes made:
